

HIGHVISTA STRATEGIES ANNOUNCES KEY LEADERSHIP PROMOTIONS

Press Release

July 01, 2024

Five New Partners Named, Reflects Continued Expansion of Firm's Leadership Team

BOSTON--HighVista Strategies, LLC ("HighVista"), an alternative asset manager pursuing specialized investments in public and private markets, announced new Partner appointments in a further expansion of the firm's leadership.

- **Nick Boston** – Partner, Chief Compliance Officer, and Counsel
- **Niels Peetz-Larsen** – Partner and Co-Head of Public Markets
- **Adam Posner** – Partner and Co-Head of Public Markets
- **Ben Radinsky** – Partner and Co-Head of Private Credit
- **Rich Vishton** – Partner and Chief Financial Officer

"These promotions reflect the strong contributions and exceptional leadership our new Partners have demonstrated in shaping the firm and delivering strong investment outcomes for our clients, as well as reinforcing the team-based culture we have established at HighVista," said André Perold, Partner and Chief Investment Officer at HighVista Strategies.

"We believe these promotions help to ensure the seamless continuity of our leadership group, spanning both investment and non-investment functions, while enabling us to navigate evolving public and private markets with the specialized expertise that each of our new Partners brings to bear," said Raphi Schorr, Partner and Deputy Chief Investment Officer at HighVista Strategies.

HighVista's senior leadership group now numbers fourteen, including the new Partners named in 2023:

- **Luke Chan** – Partner, Strategic Capital, and Co-Head of Private Credit
- **John Dickie** – Partner and Co-Head Private Equity
- **Peter Mooradian** – Partner and Co-Head of Venture Capital
- **Kirsten Morin** – Partner and Co-Head of Venture Capital
- **Scott Reed** – Partner and Co-Head of Private Equity

About HighVista Strategies LLC

HighVista Strategies LLC is an employee-owned specialty alternatives asset manager that brings investors alpha opportunities in structurally inefficient markets. Based in Boston and founded in 2004, HighVista manages \$10+ billion of capital on behalf of sophisticated investors globally. Our unique culture combines inquisitive thinking with rigorous discipline, enabling us to identify and execute on opportunities with high conviction. HighVista is a partner for investors looking beyond the standard playbook for differentiated ideas that can amplify returns. HighVista's investment strategies span private markets, including lower middle market private equity, early-stage venture capital and private credit; public markets, including biotechnology equities and hedged public markets strategies; as well as multi-strategy alternatives.
